- VCDR has program Vermont Disability Proposition.
<https://legislature.vermont.gov/home/site-resources/accessibility/>.

Should AOE partner with them? They have several focus groups:

1. Research: Topics connected to disability
2. Focus: Issues 4 online forums
3. Writing: Drafting report Disability Proposition of Vermont
Sarah knows about this including the VT Rural Development connection. Ask Sarah to give us information at the next Full SRC on the VT Disability Proposition as well as Our Time is Now.

The question was raised, "Does the SRC have a mission that matches this partnership?" Diane told the group that this kind of partnership is something we are starting to do already with Our Time is Now. Diane is meeting with Sarah and will plant the seed for partnering.

- Card Event- it would be a good time to have this again.
 - Diane says that it's a wonderful idea and supported by VR. It's competitive to get in, so be sure to get a commitment.
 - Good time to publicize HireAbility- it's catching a lot of people's attention.

- Could we have a legislator come and present to AOE or FULL SRC. Many names were suggested. Emily suggested Mari Cordes and will reach out to her.
- Cari will reach out to Sarah to see who she would recommend to present to the Full SRC.

- Asher let us know that the Democratic Caucus should be initiating a Disability Caucus. This would be a great way to work with legislators. He'll keep us posted.

- Voter accessibility was discussed. Need to add the accessibility Web Page information. Step by step
 - It would be beneficial to Tie in Diversity & Disability with towns.
 - Some great links for more information
