
COORDINATOR'S REPORT

APRIL 4, 2019 FULL SRC MEETING

Current SRC Membership & Recruitment

The SRC membership currently stands at twenty-one (15 are required) with all categories filled and appointments and reappointments approved!

Unfortunately for the SRC, Calla Papademas recently provided notice that she will be returning to California and will be leaving the Council after June. Calla's participation has been very valuable and insightful and we will miss her! Thank you, Calla, safe travels.

As always, please be on the lookout for new great members and pass contact information on! **Thanks everyone!**

SRC Committee Work

Reminder that the **Policy and Procedures Committee is looking for more members.** Please know that your participation results in the development of positive employment outcomes of people with disabilities so please consider joining! Please reach out to Sherrie Brunelle, Chair, or me for more information.

2019 Annual Retreat

It has been confirmed that the 2019 Annual Retreat will be held on **October 3, 2019 at the Trapp Family Lodge (REMEMBER TO SAVE THE DATE)!** More information will be forthcoming as details develop.

SRC Website (Old & New!)

Update on the new SRC website: As reported in February, the development of the new SRC website has been very time consuming for many. Because there was no leeway in extending the launch of the new website into the summer, James Smith had Jim Gallagher provide many hours/weeks of his time in preparing the site for an initial launch which should occur sometime in April. Perhaps at the May meeting, I can introduce you to the new site and gather feedback as there is still a lot to do! **Extra thanks to James and Jim!**
